

Positive Behavior Recognition Week
sponsored by the School Counseling Team

October 26th -30th, 2015

The theme for MMS' Positive Behavior Recognition Week 2015 is

"Kindness ... Pass it on!"

Why are we focusing on KINDNESS?

Because KINDNESS is contagious and we want to spread kindness at MMS to all members of our community and help them learn to practice kindness in their everyday lives.

Our mission, especially this week, is to inspire, enlighten, and spread happiness through the sincere kindness of actions.

It all starts with each one of us. We each have the power to impact someone right now in a positive, kind way. Share a smile. Be kind. Pass it on.

Our hope is that you will join us in spreading kindness to others throughout MMS and the Mansfield Community.

Activities for the week:

Monday, October 26th will be the kick-off for the week. There will be an announcement of the "Kindness ... Pass it on" Week and activities.

Students receive their SLICE of KINDNESS Cards in Homerooms to earn Kindness Stickers for behaviors recognized by staff members each day of the week. Students earn a different color sticker to adhere to their Kindness Wheel Card. At the end of the week, students bring their completed SLICE of KINDNESS Cards to Mrs. Lee and Mrs. Melody to receive a small prize and to be entered into a drawing for a larger prize.

Students receive their wristband with the KINDESS theme during HR to wear for the week.

Each morning there will be an announcement by a school counselor with popular music relating a meaningful quote and examples of specific KIND behaviors.

Monday - KICKOFF - Getting the Word Out About Kindness ... pass it on!

Tuesday - "Say hi to someone new at school" Day

Wednesday - "Express your Gratitude" Day to staff and one another (say thank you!)

Thursday - "Community Kindness" - Pick up trash, clean your cafeteria table, put materials/instruments in appropriate places

Friday - Complement someone's effort to contribute in class

A/A groups will focus on a KINDNESS LESSON and ACTIVITY to help students become aware of being caring and kind citizens in their school, home and community.
